Internship

The DICK'S Open Internship Program has had great success over the past eighteen years and interns have played an integral role in the success of this event. Past interns have remained in contact with the tournament and return year after year to help with the event again. Many have gone on to other organizations such as DICK'S, MLB, NFL, NASCAR and other PGA Tour Events.

We are seeking a dedicated and enthusiastic individual to join our team as the Tournament Office Intern for the 2026 DICK'S Open. This internship provides a unique opportunity to contribute to the strategic planning and preparation of what it takes to put on a professional sporting event!

This role will focus on learning our ticketing system along with pre-tournament activities and will offer exposure to a variety of different roles within the organization that will allow the intern to support key events throughout tournament week.
